

## Taylor County 4-H Project Guide

### Member Project Codes

Grade is determined by registration into the school district during the 4-H enrollment period. When a child exhibits at the fair, they are enrolled under the grade that they just completed, not the grade they will be entering in fall after the fair. Literature will be determined by the grade that you are in. If you are new to a project, you can ask for supplementary literature. For descriptions of each project, please see the Taylor County website.

10201	Youth Leadership	40501	Foods Preservation
10211	Ambassadors	40651	Personal Finance
10301	Exploring (Grade 3)	40661	Entrepreneurship
