

PROJECT SEAL AWARDS
For 4-H Members Grades 3-8 as of September 1
DUE: The Last Monday in August
Retain one copy for your records

CLUB: _____ ORGANIZATIONAL LEADER: _____

3rd Grade and up members are eligible for project awards seals. Award seals are based on project work for the current year only. Members may receive project award seals for any project that they have carried during the year, providing they have done excellent work. If any members are taking the self-determined project, write that in under the project category that most closely coincides. Members are eligible for seals regardless if they have previously received a seal for the project.

LIST 3 through 8th graders ONLY! (Please print first and last names)

YEAR RIBBONS will be given to 1st year members, **YEAR PINS** to 5th year and graduating 4-H members. 3rd grade members get an Exploring patch and can also receive a project award seal for Exploring and/or other projects they have enrolled in; **CLOVERBUDS** *automatically* receive a gift.
