### ASSUMPTION OF RISK AND AGREEMENT TO HOLD HARMLESS

I understand that attendance of a horse project training class is not without risk to myself, members of my family or guests who may attend, or my horse because some of the horses to which I will be exposed may be difficult to control and may be the cause of injury even when handled with the greatest amount of care.

I hereby waive and release the club, its employees, officers, members and agents from any and all liability of any nature, for injury or damage which I or my horse may suffer, including specifically, but without limitation, any injury or damage resulting from the action of any horse and I expressly assume the risk of such damage or injury while attending any training session or other function of the club, or while on the training grounds or the surrounding area thereto.

In consideration of and as inducement to the acceptance of my application for training membership by this club, I hereby agree to indemnify and hold harmless this club, its employees, officers, members and agents from any and all claims, or claims by any members of my family or any other person accompanying me to any training session or function of the club or while on the grounds or the surrounding area thereto as a result of any action by any horse, including my own.
